Sharing stories

13-18s can work through the activities alone or with support from an adult.

The Gospels demonstrate that Jesus was a fantastic storyteller. A vital part of His ministry was sharing relevant and exciting stories which connected people to God's love. Similarly, GB is also a vital bridge and so it's important we continue to share the fantastic story of GB with our family and friends.

Engage

Did you know that there are more than 200,000 members of GB in over 50 countries? Can you imagine how many amazing stories there are of how God has used GB to make a difference? Well you don't need to imagine as you can hear from GB members from many different countries by watching the #iamgb film here: gbworldwide.org

Explore

Sharing stories makes a difference in people's lives and GB is a place for us to share stories. Imagine that an alien has landed from out of space and you have to explain the top five things about GB to try and get them to come. What would you list?

Empower

How has GB transformed your life? Have you ever shared your GB story with anyone? Why don't you write your GB transformation story down or create a vlog sharing how GB has made a difference in your life? Your GB leaders are missing being with the group right now so a fantastic way of encouraging them is to get your parents to send your blog or vlog to them.

Connect

Cardboard testimonies are a powerful and dynamic way to share stories in an effective way.

Watch Kings Church Eastbourne's video of transformations – www.youtube.com. If you're feeling creative, you could design your own cardboard testimony showing how GB has made a positive influence in your life.
